I don't mean to be a downer, but this isn't going to hurt them in the slightest. That stuff only works on franchise properties who don't want their brand licensing pulled.

There are other ways to let the Harrington know what America means.

Left one that they filmed gay porn next door and because the TV only had two channels I couldn't find anything I wanted to watch to drown it out, so I to listen to it.

I hate to tell you, but the Hotel Harrington has proudly been a one-star establishment since the 1970s.

The bed bugs were huge, but it's a great place for crack and hookers. I found pubes in the continental breakfast.

Whoever did this review - its excellent

"Infested with cockroaches, and to our horror, bedbugs that we took home with us. We had the bugs sent to a lab, and they are bloodsucking parasites. Never stay in this cesspool of a motel, or you will regret it."

hahaha sent the bugs to a lab!
